

4000 NET

SUNSHADOW SOLAR SCREEN

4000 NET by Alkenz

Alkenz SunShadow® Solar Screen fabrics offer a stylish and modern aesthetic for window treatments that minimize the negative effects of the sun, while preserving outward visibility.

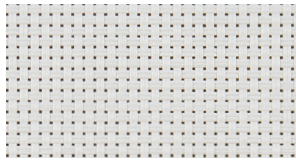

4000 NET is similar in appearance to 3000 NET but made of a heavier weight yarn making it ideal for commercial applications as well as exterior treatments.

FEATURES

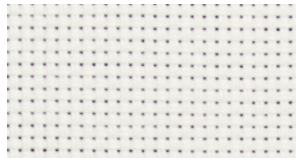

- A unique manufacturing process delivers technically superior fabrics that are backed by a limited lifetime warranty
- Environmentally friendly and safe
- Flame Retardant
- Available in two openness factors - 3%, 5%
- Available in 14 colors
- Versatile – can be used in roller shades and panel track applications

Durable and attractive screen to fit commercial and exterior applications.
